- Workbooks & checklists
- Grab and go templates
- Private community with coaching & support

I bought The Prep a couple of weeks ago and I already have my first discovery call on Sunday!! I'm SO excited but nervous too haha. I'm going to listen to your discovery call podcast again to prep for it! Just letting you in on my wins, thank you for your help 🥰❤️

I just purchased "The Prep" 🥰🥰

YAYYYY!!!

So excited for a life change. I've been doing so much research and looking into so many things, but you explain everything literally so perfect and it's easy to follow. It's really all overwhelming but every since I found you and all the information you offer I do feel better about the transition.

Girl!!!! when that first big payment comes in from my client 🥰🥰 I'm in the process of changing jobs to work from home and have more time for my business! I'm planning to add consulting since I have people in my field that need assistance. ... It's hitting me that it's already been worth going through the program and made 3x back what I first invested in one month!! I just had to tell you! 🥰❤️

I've loved the trainings, community, and confidence I've gained from your podcasts and resources. I really related to your story, and it gave me hope that with hard work, I can also be able to stay home with my littles, while making an income to better support my family.

Thanks for everything, Aubree. Seriously!

A win and a question rolled into one:

I SCORED 2 CLIENTS THIS WEEK! WOHHOO! up to 5 clients and insanely proud of myself!

You're such an inspiration! I don't know how I even found you. I kept thinking everyday- I want to find something I can do that I'm passionate about and the universe showed me you! I think I saw your insta or podcast? I binged your podcast, dove into the prep, put myself out there (which is sooo out of my comfort zone) and I just signed my second client. Just from my two, I'm covering about 1/3 of my monthly paychecks already. I started in winter break 🥰. Knowing I can do other work after school is what's keeping me going because being in the classroom has been so hard. I can't thank you enough ❤️

You are awesome! I'm so thankful for you putting this out there and for The Prep! I launched with my friends and family Thursday of last week and already have two contracts, another possibility and some discovery calls to come!

Marra Elisa

I have reached my goal of income I wanted to make before I leave teaching. 30 days in! Leaving come Jan and increasing prices for new clients in hopes that I will surpass my teaching income soon
